RE: LIGHTSQUARED SUBSIDIARY, LLC
EX PARTE COMMUNICATION. IB DOCKET NO. 11-109
IBSF FILE NO. SAT-MOD-20101118-00239

Gentleman-Madam:

I am writing in opposition to the granting of LightSquared's request to affirm its license and its request to go forward with its plan.

This plan of LightSquared ignores the recent independent test results which will greatly interfere with us as current GPS signal users.

I am a small business owner and rely on the GPS signal in the day to day operation of my land surveying business. I have spent considerable money in acquiring this technology.

Please do not allow this big company to ruin my business along with other land surveyors businesses because of their selfish desire and interest to acquire this band spectrum.

Thanks you

Sincerely,

Steven C. Pearson, PLS
